Being A Good Student

I go to school almost every Monday, Tuesday, Wednesday, Thursday and Friday. When I go to school it’s important to be a good student and do my best.
When I'm at school, I learn a lot of new things. Some things are easy for me. I can do the work by myself.

When I'm working I should work quietly and do all the work I can by myself. It's O.K. if I make a mistake. Everyone makes mistakes.
If I don't finish my work, it's O.K. Not everyone finishes. The teacher will usually give us time to finish later.

Sometimes the work is hard for me. I don't understand what to do or how to do it. I should raise my hand and wait. The teacher will help me when she can. The teachers are there to help me learn.
I need to enter the classroom quietly. I can say "Good Morning" in a number 3 voice.

I should walk to my desk.
I need to put my snack in the basket. I should take off my jacket if I have one on. I could hang it up. My backpack needs to go in the closet.

I'm ready

This is a good start. I am ready for my school day.
I do a lot of work at my desk. When I work, I need to have a quiet mouth. I do not want to disturb others. I need to stay at my desk.

If I have a question, I should raise my hand and wait at my desk. My teacher will help me when she can.
Some days I go to RSP and Speech. I need to leave the classroom quietly when my schedule shows Speech or RSP.

When I finish at Speech or RSP, I should walk quickly back to my classroom. I enter the classroom quietly and go to my desk.
The teacher will be happy if I am being a good student. I will feel good about it too!!!
